several ISPs. In a rare case of a single qualified ISP, if the ISP is able to demonstrate that its infrastructure is fully redundant (separate media, data centers and other infrastructure), it may be considered as a qualified bidder.

2. The two leased lines are traffic-independent flat fee, unlimited usage time, without any further restrictions of use (i.e. proxy, firewall, filtering servers and etc.).

3. The internet bandwidth must be a dedicated line, not shared with other customers (share ratio 1:1).

4. The ISP must divide the internet connection into two separate fiber optic media for redundancy purposes.

5. The ISP must terminate connections in the Data Center or Server Room with Ethernet handover and equip all necessary link related equipment in the corresponding Data Center/Server Room.

6. The ISP must handle all aspects of the services, including ordering and commissioning leased lines connections.

7. The ISP must provide the provision of real-time MRTG tool daily, weekly, monthly and yearly utilization graphs with domestic, international and total bandwidth usage which can be used to monitor network condition against the SLA.

8. The ISP must also be the sole technical contact for smooth operations of the services.

9. The ISP must provide the spare part of the entire leased link related equipment and onsite engineer without charge in case of the leased link hardware failure at UNFPA.

10. The ISP must provide public DNS service which allows cross ISP quarries.

11. The ISP must provide necessary support and collaboration to assist UNFPA optimize the utilization of its Internet bandwidth. Not limited to just technical work, may require working with third party vendors.

12. The ISP must have alternate International routes from more than one International Internet providers and must be able to route to the best path performance in case one International Internet provider has service interruption or poor performance.

13. The ISP must provide at least TWO of 16 real IP subnets (/28) for UNFPA.

14. The ISP must include their proposed Service Level Agreement (SLA) terms and conditions that would be applicable to this engagement. (Required the SLA document)

Service Requirements

15. Regular price adjustment should be conducted every six months through informal quotations which are limited to vendors under LTA arrangement. Alternatively, the ISP may, periodically, offer higher bandwidth at similar prices offered earlier to reflect market rates.

16. Available of internet services:

   a. The availability of the Internet Service for Leased Lines must be a minimum of 99.9% as measured over the period of a calendar month. (< 45 minutes downtime).

   b. Failure to meet the service conditions specified in this TOR for network availability in particular month as mentioned at (a), subject to (c), will lead to the deduction of 5% of monthly fee of that month payable to the Supplier.

   c. Failure mentioned in (b) include failure caused by the Supplier’s network, and exclude:

      i. Scheduled downtime for maintenance which must be communicated to UNFPA at least 5 days in advance.

      ii. Failure cause by the User’s Local Area Network or equipment

      iii. Failure cause by disruption of other services used by the User which is not provided by the Supplier

      iv. Failure resulting from any event of Force Majeure beyond the Supplier’s control, act, omission or negligence.

17. Customer Service
a. The ISP must have 24x7x365 technical assistance and/or helpdesk facilities.
b. The ISP must inform the UNFPA via SMS or telephone within 15 minutes when a failed connection by the UNFPA is noticed due to failure of the ISP backbone network.
c. The ISP must log the fault and keep the UNFPA informed of the progress until the problem is fixed and the network is back to normal operation.
d. The ISP must ensure that the total planned downtime that affects business section customers will not exceed 5 times per year.
e. The ISP is also responsible for contacting designated UNFPA contact points for both scheduled and unscheduled downtime.
f. The ISP must ensure that the Estimated Time to Acknowledge (ETA) for scheduled and unscheduled downtime will not exceed one hour.

18. Mean Time to Repair:
   a. Definition: MTTR = Total Repair Hours in the Month / Number of Repair in the Month
   b. The ISP must ensure the MTTR per month will not exceed thirty (30) minutes.
c. The ISP’s failure to meet the MTTR will entitle the UNFPA to the following Liquidated Damage Charge (% of monthly fee, which will be deducted from ISP’s eligible payment):

Financial Evaluation

Price quotes will be evaluated only for bidders whose technical proposals achieve a minimum score of 70 points out of 100 points in the technical evaluation.

Price quotes will be evaluated based on their responsiveness to the price quote form. The maximum number of points for the price quote is 100, which will be allocated to the lowest total price provided in the quotation. All other price quotes will receive points in inverse proportion according to the following formula:

\[
\text{Financial Score} = \frac{\text{Lowest Bid (THB)}}{\text{Bid being Scored (THB)}} \times 100 \times \text{Maximum Score (THB)}
\]

Total score

The total score for each proposal will be the weighted sum of the technical score and the financial score. The maximum total score is 100 points

\[
\text{Total Score} = 70\% \text{ Technical Score} + 30\% \text{ Financial Score}
\]

VII. Award Criteria

In case of a satisfactory result from the evaluation process, UNFPA intends to award Long Term Agreements with duration of one (1) year with the possibility to extend for one year and another one year to the bidders whom obtain the highest and the second highest total score.
VIII. Right to Vary Requirements at Time of Award
UNFPA reserves the right at the time of award of contract to increase or decrease by up to 20% the volume of services specified in this RFQ without any change in unit prices or other terms and conditions.

IX. Payment Terms
UNFPA payment terms are net 30 days upon receipt of invoice and delivery/acceptance of the milestone deliverables linked to payment as specified in the contract.

X. Fraud and Corruption
UNFPA is committed to preventing, identifying, and addressing all acts of fraud against UNFPA, as well as against third parties involved in UNFPA activities. UNFPA's policy regarding fraud and corruption is available here: Fraud Policy. Submission of a proposal implies that the Bidder is aware of this policy.

Suppliers, their subsidiaries, agents, intermediaries and principals must cooperate with the UNFPA Office of Audit and Investigations Services as well as with any other oversight entity authorized by the Executive Director and with the UNFPA Ethics Advisor as and when required. Such cooperation shall include, but not be limited to, the following: access to all employees, representatives agents and assignees of the vendor; as well as production of all documents requested, including financial records. Failure to fully cooperate with investigations will be considered sufficient grounds to allow UNFPA to repudiate and terminate the Agreement, and to debar and remove the supplier from UNFPA's list of registered suppliers.

A confidential Anti-Fraud Hotline is available to any Bidder to report suspicious fraudulent activities at UNFPA Investigation Hotline.

XI. Zero Tolerance
UNFPA has adopted a zero-tolerance policy on gifts and hospitality. Suppliers are therefore requested not to send gifts or offer hospitality to UNFPA personnel. Further details on this policy are available here: Zero Tolerance Policy.

XII. RFQ Protest
Bidder(s) perceiving that they have been unjustly or unfairly treated in connection with a solicitation, evaluation, or award of a contract may submit a complaint to the UNFPA Designated staff to receive procurement related complaints: Ms. Annette Sachs Robertson, Deputy Regional Director, UNFPA Asia and the Pacific Regional Office in Bangkok at robertson@unfpa.org. Should the supplier be unsatisfied with the reply provided by the UNFPA Designate Official, the supplier may contact the Chief, Procurement Services Branch at procurement@unfpa.org

XIII. Disclaimer
Should any of the links in this RFQ document be unavailable or inaccessible for any reason, bidders can contact the Procurement Officer in charge of the procurement to request for them to share a PDF version of such document(s).
