22-Jul-2024

24.4.A substantially responsive Bid conforms to all the terms, conditions, and specifications of the Bidding documents without material deviation, reservation, or omission. A material deviation, reservation, or omission is one that:

- 24.4.1. Affects in any substantial way the scope, quality, or services specified; or
- 24.4.2. Limits in any substantial way, inconsistent with the Bidding documents, UNFPA's rights or the Bidder's obligations under the LTA; or
- 24.4.3. If rectified would unfairly affect the competitive position of other Bidders presenting substantially responsive Bids.

24.5.UNFPA considers material deviations to include, but not be limited to the following:

24.5.1. During preliminary examination of Bids

- 24.5.1.1. Absence of Bid form(s), change in the wording or lack of signature on key portions of the Bid form when this is clearly required. Any change in wording that is consistent with the standard format of the Bid form(s) is not a material deviation;
- 24.5.1.2. The Bidder indicates in the Bid that they do not accept important LTA conditions, i.e. related to Force Majeure, Applicable Law, Delivery Schedule, Payment Terms, General Conditions of Contract and Limitation of Liability;
- 24.5.1.3. Non submission of non-historical documents (documents that should be specifically prepared by the Bidder in response to this RFP) by the bid submission deadline.
- 24.5.1.4. Non-eligibility of the Bidder;

- 24.5.3.2. Required price components are missing;
- 24.5.3.3. The Bidder offers less quantity than what is required

25. Non-conformities, errors, and omissions

25.1.Provided that a Bid is substantially responsive:

- 25.1.1. UNFPA may waive any non-conformities or omissions in the Bid that do not constitute a material deviation.
- 25.1.2. UNFPA may request the Bidder to submit the necessary information or documentation within a reasonable period of time to rectify non-material non-conformities or omissions in the Bid related to documentation requirements. Such

omission shall not be related to any aspect of the price of the Bid. Failure of the Bidder to comply with the request may result in the rejection of its Bid.

25.1.3. UNFPA shall correct arithmetical errors on the following basis:

- 25.1.3.1. If there is a discrepancy between the unit price and the line item total that is obtained by multiplying the unit price by the quantity, the unit price shall prevail, and the line item total shall be corrected, unless in the opinion of UNFPA there is an obvious misplacement of the decimal point in the unit price. In that case the line item total as quoted shall govern, and the unit price shall be corrected;
- 25.1.3.2. If there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected.

26. Evaluation of Bids

- 26.1. The evaluation of the Bids will be carried out in a two-step process by an evaluation panel, with evaluation of the Technical Bid being completed prior to any Financial Bid being opened and compared.
- 26.2. The Financial Bid will be opened only for those Bidders, where Technical Bids reach a minimum score of **70%** and whom have fulfilled the supplier qualifications. The total number of points a Bidder may obtain for Technical and Financial Bids is 100 points.
- 26.3. Information relating to the examination, evaluation, comparison, and post-qualification of Bids and recommendation of LTA award shall not be disclosed to Bidders or any other person not officially concerned with such process until the LTA award is published.
- 26.4. Any effort by a Bidder to influence UNFPA in the examination, evaluation, comparison, and post-qualification of the Bids or LTA award decisions may result in the rejection of its Bid.
- 26.5. Notwithstanding from the time of Bid opening to the time of LTA award, if any Bidder wishes to contact UNFPA on any matter related to the Bidding process, it should do so in writing.

27. Technical evaluation

30. Total score

30.1. The total score for each Bidder will be the weighted sum of the technical score and financial score. The maximum total score is 100 points.

$$\text{Total Score} = 70\% \text{ Technical Score} + 30\% \text{ Financial Score}$$

F. AWARD OF LONG TERM AGREEMENT AND FINAL CONSIDERATIONS

31. Award of long term agreement (LTA)

31.1. UNFPA intends to award lead and two back-up LTA(s) to the Bidder(s) that obtains the highest, second highest and the third highest combined score of the Technical and Financial evaluation.

31.2. UNFPA reserves the right to make multiple arrangements for any item(s) where, in the opinion of UNFPA, the Bid winner cannot fully meet the delivery requirements or it is deemed to be in UNFPA’s best interest to do so. Any arrangement under this condition shall be made on the basis of the highest combined scoring Bid, the second-highest, etc.

32. Rejection of Bids and annulments

32.1. UNFPA reserves the right to reject any Bid if the Bidder has previously failed to perform properly or on time in accordance with previous contracts/Purchase Orders or if the Bidder from UNFPA’s perspective is not in a position to deliver Purchase Orders that will be issued pursuant to the LTA(s).

32.2. UNFPA reserves the right to annul the RFP and reject all Bids at any time prior to award of the LTA without thereby incurring any liability to the affected Bidder(s) or any obligation to provide information.

33. Right to vary requirements and to negotiate at time of award

33.1. At the time of award of the LTA and any Purchase Order(s) pursuant to the LTA UNFPA reserves the right to vary the quantity of goods and/or services specified in the RFP without any change in the hourly/daily or any other rates or prices proposed by the Bidders or other terms and conditions.

DS 22-Jul-2024

33.2. UNFPA reserves the right to negotiate the price with the Bid winner before awarding the LTA to ensure that the Financial Bid is competitive on all aspects of the price.

33.2.1. The purpose of negotiations of offers selected based on the 'cumulative analysis methodology' is to ensure that the technical proposal is in line with requirements and that the financial proposal is competitive on all aspects of the price.

33.2.2. In the negotiations, any deficiency in the offer will be pointed out to the supplier. The supplier will be allowed to make adjustments in the proposal in order to improve and more clearly specify the contents of the offer. However, under no circumstances shall the requirements (Terms of Reference/specifications) be changed.

34. Signing of the long term agreement (LTA)

34.1. The procurement official will send the successful Bidder(s) the LTA valid for **three (3) years** with the option of a one-year extension and another one-year extension, which constitutes notification of award. Successful Bidder(s) shall sign and date the LTA, and return it to UNFPA within 10 calendar days of receipt of the LTA. To facilitate the process of signing the LTA, Bidders are expected to have reviewed the LTA template found in SECTION VII – ANNEX A: LONG TERM AGREEMENT TEMPLATE of the Bidding documents prior to submitting a Bid. After receipt of any Purchase Order(s) issued pursuant to the signed LTA, the successful Bidder shall deliver the goods and/or services in accordance with the delivery schedule outlined in the Purchase Orders.

34.2. The LTA will be established between the successful Bidder(s) and UNFPA to allow UNFPA to contract the provision of the specified goods/services. The resultant Agreement represents an offer on the part of the successful Bidder(s) to provide UNFPA with goods/services, at the prices agreed and under the Conditions of Contract detailed for the duration of the Agreement. These Agreements will not be considered as contracts, nor oblige UNFPA to any financial commitment whatsoever. Only Purchase Orders made pursuant to such Agreements will constitute a commitment on UNFPA's part.

34.3. UNFPA reserves the right to discontinue the agreements if the supplier's performance is not satisfactory to UNFPA.

34.4. The LTA holders shall hold the prices fixed and not subject to change throughout the validity of the Agreements. LTA holders shall be responsible to apply any special offer or discounts (if applicable) which may become effective at the time of fulfilling the order to any Purchase Order(s) issued under the Agreements. Such discounts shall be reflected in the corresponding supplier invoices.

34.4.1. Depending on the quantities being requested or the complexity of the need, Bidders may be requested to provide a performance security.

34.4.2. The successful Bidder(s) may be requested to quote for goods and/or services not covered by the LTA; these should be clearly identified as non-LTA items in the Quote. Such non-LTA procurements will be managed per the provisions made in the procurement procedures of UNFPA.

SECTION II: TERMS OF REFERENCE (TOR)
RFP NUMBER: UNFPA/BKK/RFP/24/001
FOR THE ESTABLISHMENT OF LONG TERM AGREEMENTS
PROVISION OF TECHNICAL SUPPORT ON GBV PREVENTION PROGRAMMING TO
UNFPA APRO, BANGKOK THAILAND

1. Background

Gender-Based Violence (GBV) continues to remain pervasive globally and in Asia and the Pacific region, which experiences the highest rates of GBV in the world. The percentage of women who have experienced physical and/or sexual violence at the hands of an intimate partner over their lifetime in the region ranges from 15-64 percent. GBV is a grave human rights violation, curtailing individual freedoms and empowerment and has severe social and economic impacts for survivors of violence, their families, communities and societies, threatening prosperity and stability. GBV hinders progress towards global priorities, including improved health, education, economic prosperity, and climate change adaptation. Ending GBV is critical for the achievement of Sustainable Development Goal (SDG) 5, and fundamental for achievement of all SDGs, fostering peace, security and stability, enabling all people to reach their full potential. Preventing and addressing GBV is key to achieving gender equality and women's empowerment.

In most countries in the region, women are more at risk of experiencing violence at the hands of an intimate partner, than someone other than their partner. Furthermore, evidence suggests in most cases of violence, the perpetrator is a family member, a friend or a neighbour. For example, 91% and 86% of survivors in Thailand and Viet Nam respectively, reported to know their rapist prior to the incident.

Harmful gender norms, structural inequalities and discriminatory practices underpin GBV and create substantive barriers to effective implementation of prevention and response interventions. UNFPA works in Asia and the Pacific by partnering with governments, civil society organizations, and women-led organizations to address GBV and harmful social norms through advocacy, quality multi-sectoral response services, safe data collection, evidence-based prevention initiatives, and coordination across the range of humanitarian, development, and nexus contexts found in the region.

UNFPA recognises transformed social and gender norms as the primary vehicle through which lasting change can be achieved.

II. Objective

The objective of this service is to strengthen UNFPA COs in Asia and the Pacific and their partners' capacity to design, implement and document gender-transformative, evidence-based GBV and harmful social norms prevention programming and to serve as part of a technical support hub on GBV prevention for UNFPA's country offices in Asia and the Pacific.

III. Outputs/deliverables

Serving as a part of a GBV Prevention technical hub for Asia Pacific, the selected service provider/s will be expected to:

1. **Support technical review of key documents for UNFPA APRO and Country Offices to strengthen evidence-based GBV prevention programming:** The service provider/s will support technical review of UNFPA CO documents ranging from strategies,

programmes, action plans, resource mobilisation proposals, among others, to ensure adherence to global and regional evidence on effective GBV prevention interventions.

2. **Support capacity building on prevention of GBV:** The service provider will support capacity building of UNFPA Country Offices and national stakeholders on GBV prevention as and when such requests are made. The modality can be both virtual or in-person. The support can encompass both one-time capacity building engagement or an accompaniment model that facilitates capacity building through a longer term engagement.
3. **Development of guidance notes on GBV prevention:** Building on the emerging needs and requests from UNFPA Country Offices, the service provider will develop brief guidance notes to facilitate evidence-based programming and advocacy needs of the region,

Specific Deliverables:

While the deliverables may vary from year to year, the expected deliverables for Year 1 include the following.

- At least 5 UNFPA Country Offices supported to strengthen their programming on GBV prevention
- At least 8 countries supported with GBV prevention capacity building
- At least 4 guidance notes produced on GBV prevention

Given the service provision is dependent on the demand from Country Offices, a workplan will be developed with the selected service provider/s and updates on a monthly basis depending on the needs expressed by the Country Offices.

Reporting Requirements

1. Support technical review of key documents for UNFPA APRO and Country Offices to strengthen evidence-based GBV prevention programming:
 - To deliver brief written reports following each assignment in an agreed-upon template

3. Development of guidance notes on GBV prevention:

The assignment can be done in any location in Asia and the Pacific region. Service provider(s) must be ready to travel for the assignment as necessary.

DS 22-Jul-2024

**Travel:**

Most assignments would be done virtually. Should travel be necessary, then costs shall be calculated based on economy-class travel, regardless of the length of travel, and costs for accommodation, meals and incidentals shall not exceed applicable daily subsistence allowance (DSA) rates, as promulgated by the International Civil Service Commission (ICSC). Travel expenses shall be reimbursed at actual cost against receipt/used ticket/boarding pass but not exceed the threshold specified in the UNFPA's travel policy.

III. Timeline:

UNFPA plans to sign a non-exclusive Long-Term Agreement (LTA) with the service-provider for three (3) years tentatively from October 2024 - September 2027. In addition to the initial term, the LTA will have the option of a one-year extension and another one-year extension year subject to satisfactory performance and price competitiveness.

IV. UNFPA Inputs

UNFPA APRO will provide overall coordination, supervision, and quality control to guide the team responsible for the implementation of the project, including helping with consultation with participants in two pilot countries. UNFPA country offices will provide support to identify key relevant stakeholders for the training.

The service-provider will engage primarily with the Regional GBV Team for UNFPA APRO. It is also expected that the service-provider will engage with members of UNFPA Country Offices staff and other stakeholders as required, to be coordinated by the UNFPA APRO GBV Team.

Throughout the contract and development process, the service-provider and the UNFPA Regional Office will engage in periodic meetings, which will be complemented by email exchanges and informal discussions between the service-provider and UNFPA APRO on the scope of the project, clarification of deliverables, etc.
