VI. Overview of Evaluation Process

Technical Evaluation

Technical proposals will be evaluated based on their responsiveness to the service requirements /TORs listed in Section II and in accordance with the evaluation criteria below.

Criteria	[A] Maximum Points	[B] Points obtained by Bidder	[C] Weight (%)	[B] x [C] = [D] Total Points
Technical approach, methodology and level of understanding of the objectives of the project	100		35%	
Work plan/time scale given in the proposal and its adequacy to meet the project objectives	100		20%	
Professional experience of the staff that will be employed to the project, proving demonstrated expertise relevant to the assignment (CVs, etc.) and company portfolio (range of clients including UN platforms, etc.)	100		25%	
Profile of the company and relevance to the Project.	100		20%	
<i>Grand Total All Criteria</i>	400		100%	

The following scoring scale will be used to ensure objective evaluation:

19-Sep-2023

4 of 23

Degree to which the Terms of Reference requirements are met based on evidence included in the Bid submitted	Points out of 100
Significantly exceeds the requirements	90 – 100
Exceeds the requirements	80 – 89
Meets the requirements	70 – 79
Partially meets the requirements	1 – 69
Does not meet the requirements or no information provided to assess compliance with the requirements	0

Financial Evaluation

Price quotes will be evaluated only for bidders whose technical proposals achieve a minimum score of 70 points in the technical evaluation.

Price quotes will be evaluated based on their responsiveness to the price quote form. The maximum number of points for the price quote is 100, which will be allocated to the lowest total price provided in the quotation. All other price quotes will receive points in inverse proportion according to the following formula:

Financial score =	Lowest quote (\$)	X 100 (Maximum score)
	Quote being scored (\$)	

Total score

The total score for each proposal will be the weighted sum of the technical score and the financial score. The maximum total score is 100 points.

$$\text{Total score} = 70\% \text{ Technical score} + 30\% \text{ Financial score}$$

ANNEX II TERMS OF REFERENCE (TOR)

The provision of Communication Package to document UNFPA Work to Prevent and Treat Obstetric Fistula and Illustrate Links with Child Marriage

I. Background

UNFPA, the United Nations Reproductive Health and Rights Agency, works worldwide to ensure that every pregnancy is wanted, every childbirth is safe, and every young person's potential is fulfilled. The Three Transformative Results of UNFPA include achieving i) Zero Preventable Maternal Mortality; ii) Zero Unmet Need for Family Planning, and iii) Zero Gender-Based Violence and Harmful practices by 2030, in line with the other targets of the Sustainable Development Goals.

In Asia and the Pacific, UNFPA works with selected high burden countries to work specifically on the prevention and treatment of **Obstetric Fistula**, a traumatic childbirth injury. Obstetric fistula has been virtually eliminated in industrialized countries through the availability of timely, high-quality medical treatment for prolonged and obstructed labour – namely, Caesarean section. Obstetric fistula occurs mostly among the poorest and most marginalized women and girls, especially those living far from medical services and those for whom services are not accessible, affordable or acceptable.

Without emergency intervention, obstructed labour can last for days, resulting in death or severe disability. The obstruction can cut off blood supply to tissues in the woman's pelvis. When the dead tissue falls away, she is left with a hole – a fistula, in medical terms – in the birth canal. Tragically, there is a strong association between fistula and stillbirth, with research indicating that approximately 90 per cent of women who develop obstetric fistula end up delivering a stillborn baby. Obstetric fistula is associated with devastating lifelong morbidity with severe medical, social, psychological and economic consequences. However, **this condition is treatable** – fistula can be prevented through appropriate medical care in pregnancy and childbirth, and can be treated surgically to be repaired following childbirth.

UNFPA and partners have committed to [Eliminate Obstetric Fistula by 2030](#), and the UN General Assembly committed in 2018 to the elimination of Fistula.

Furthermore, childbearing in adolescent girls before the pelvis is fully developed is among the physiological factors contributing to obstructed labour, which can lead to the development of Obstetric Fistula. As such, the issue of Obstetric Fistula is closely interlinked with the plight of **Child Marriage**, often correlated in the same high-burden countries of the Asia-Pacific region.

Child marriage directly threatens girls' health and well-being. Marriage is often followed by pregnancy, even if a girl is not yet physically or mentally ready. In developing countries, a majority of births to adolescent girls occur within a marriage or a union. In these countries, complications from pregnancy and childbirth are the leading cause of death among adolescent girls aged 15 to 19. UNFPA works with governments and civil society partners at all levels to promote and protect the human rights of girls including assisting with the development of sexual and reproductive health, gender and youth policies, programmes and services and to transform gender norms to end the practice of child marriage. Many of these efforts, such as the [UNFPA-UNICEF Global Programme to Accelerate Action to End Child Marriage](#), empower girls to know and exercise their human rights, including their right to choose, as adults, whether, when and whom to marry.

II. Objective

The objective of this assignment is to document – through photos, stories and video – the impact that Obstetric Fistula has on the lives of women suffering from the condition, and explore the broader societal determinants that lead these women to develop it, including the issue of child marriage and early pregnancies. The work of countries in the Asia-Pacific region to address, treat and eliminate both obstetric fistula and child marriage should also be highlighted.

UNFPA APRO is calling for the service provider to collect information to draft these stories and collect photos and videos of the interviewees and people involved. The service provider will be supported to identify, collect and compile this information in 1 to 2 countries of the region, in collaboration with UNFPA Country Office teams on the ground, and travel to these countries to collect the material.

The selection of country/ies among Bangladesh, Pakistan, or Nepal that will participate in the study will be determined by UNFPA APRO. It is expected that at least 1 country will be featured in this work, with the potential to cover two countries – depending on budget requirements.

The results of these efforts will produce human interest stories, photo repository, and 1 edited video.

III. Outputs/Deliverables

The below are the expected activities (with proposed timelines) and deliverables for the selected service provider, to be completed by **31 December 2023**:

The affected Party shall also notify the other Party of any other changes in condition or the occurrence of any event which interferes or threatens to interfere with its performance of the Contract. Not more than fifteen (15) days following the provision of such notice of *force majeure* or other changes in condition or occurrence, the affected Party shall also submit a statement to the other Party of estimated expenditures that will likely be incurred for the duration of the change in condition or the event of *force majeure*. On receipt of the notice or notices required hereunder, the Party not affected by the occurrence of a cause constituting *force majeure* shall take such action as it reasonably considers to be appropriate or necessary in the circumstances, including the granting to the affected Party of a reasonable extension of time in which to perform any obligations under the Contract.

- 13.1 Either party may terminate this Contract for cause, in whole or in part, upon thirty (30) days notice, in writing, to the other party. The initiation of arbitral proceedings in accordance with Article 16.2 (“Arbitration”), below, shall not be deemed a termination of this Contract.
- 13.2 UNFPA may terminate forthwith this Contract at any time should the mandate or its funding be curtailed or terminated, in which case the Contractor shall be reimbursed by UNFPA for all reasonable costs incurred by the Contractor prior to receipt of the notice of termination.
- 13.3 In the event of any termination by UNFPA under this Article, no payment shall be due from UNFPA to the Contractor except for work and services satisfactorily performed in conformity with the express terms of this Contract.
- 13.4 Should the Contractor be adjudged bankrupt, or be liquidated or become insolvent, or should the Contractor make an assignment for the benefit of its creditors, or should a Receiver be appointed on account of the insolvency of the Contractor, UNFPA may, without prejudice to any other right or remedy it may have under the terms of these conditions, terminate this Contract forthwith. The Contractor shall immediately inform UNFPA of the occurrence of any of the above events.
- 13.5 The provisions of this Article 13 are without prejudice to any other rights or remedies of UNFPA under the Contract or otherwise.
14. **NON-WAIVER OF RIGHTS:** The failure by either Party to exercise any rights available to it, whether under the Contract or otherwise, shall not be deemed for any purposes to constitute a waiver by the other Party of any such right or any remedy associated therewith, and shall not relieve the Parties of any of their obligations under the Contract.
15. **NON-EXCLUSIVITY:** Unless otherwise specified in the Contract, UNFPA shall have no obligation to purchase any minimum quantities of goods or services from the Contractor, and UNFPA shall have no limitation on its right to obtain goods or services of the same kind, quality and quantity described in the Contract, from any other source at any time.
16. **SETTLEMENT OF DISPUTES:**
- 16.1 **AMICABLE SETTLEMENT:** The Parties shall use their best efforts to amicably settle any dispute, controversy, or claim arising out of the Contract or the breach, termination, or invalidity thereof. Where the Parties wish to seek such an amicable settlement through conciliation, the conciliation shall take place in accordance with the Conciliation Rules then obtaining of the United Nations Commission on International Trade Law (“UNCITRAL”), or according to such other procedure as may be agreed between the Parties in writing.
- 16.2 **ARBITRATION:** Any dispute, controversy, or claim between the Parties arising out of the Contract or the breach, termination, or invalidity thereof, unless settled amicably under Article 16.1, above, within sixty (60) days after receipt by one Party of the other Party’s written request for such amicable settlement, shall be referred by either Party to arbitration in accordance with the UNCITRAL Arbitration Rules then obtaining. The arbitral tribunal shall be empowered to order the return or destruction of goods or any property, whether tangible or intangible, or of any confidential information provided under the Contract, order the termination of the Contract, or order that any other protective measures be taken with respect to the goods, services or any other property, whether tangible or intangible, or of any confidential information provided under the Contract, as appropriate, all in accordance with the authority of the arbitral tribunal pursuant to Article 26 (“Interim measures”) and Article 34 (“Form and effect of the award”) of the UNCITRAL Arbitration Rules. The arbitral tribunal shall have no authority to award punitive damages. In addition, unless otherwise expressly provided in the Contract, the arbitral tribunal shall have no authority to award interest in excess of the London Inter-Bank Offered Rate (“LIBOR”) then prevailing, and any such interest shall be simple interest only. The Parties shall be bound by any arbitration award rendered as a result of such arbitration as the final adjudication of any such dispute, controversy, or claim.
17. **PRIVILEGES AND IMMUNITIES:** Nothing in or relating to the Contract shall be deemed a waiver, express or implied, of any of the privileges and immunities of the United Nations, including its subsidiary organs.
18. **TAX EXEMPTION:**
- 18.1 Article II, Section 7, of the Convention on the Privileges and Immunities of the United Nations provides, *inter alia*, that the United Nations, including its subsidiary organs, is exempt from all direct taxes, except charges for public utility services, and is exempt from customs restrictions, duties, and charges of a similar nature in

respect of articles imported or exported for its official use. In the event any governmental authority refuses to recognize the exemptions of UNFPA from such taxes, restrictions, duties, or charges, the Contractor shall immediately consult with UNFPA to determine a mutually acceptable procedure.

18.2 The Contractor authorizes UNFPA to deduct from the Contractor's invoices any amount representing such taxes, duties or charges, unless the Contractor has consulted with UNFPA before the payment thereof and the UNFPA has, in each instance, specifically authorized the Contractor to pay such taxes, duties, or charges under written protest. In that event, the Contractor shall provide UNFPA with written evidence that payment of such taxes, duties or charges has been made and appropriately authorized, and UNFPA shall reimburse the Contractor for any such taxes, duties, or charges so authorized by UNFPA and paid by the Contractor under written protest.

19. **MODIFICATIONS:** Pursuant to the Financial Regulations and Rules of UNFPA, only the Chief of the Procurement Services Branch of UNFPA or such other contracting authority as made known to the Contractor in writing, possesses the authority to agree on behalf of UNFPA to any modification of or change in this Contract, to a waiver of any of its provisions or to any additional contractual relationship of any kind with the Contractor. Accordingly, no modification or change in this Contract shall be valid and enforceable against UNFPA unless provided by an amendment to this Contract signed by the Contractor and the Chief of the Procurement Services Branch of UNFPA or such other contracting authority.

20. AUDITS AND INVESTIGATIONS:

20.1 Each invoice paid by UNFPA shall be subject to a post-payment audit by auditors, whether internal or external, of UNFPA or the United Nations or by other authorized and qualified agents of UNFPA or the United Nations at any time during the term of the Contract and for a period of three (3) years following the expiration or prior termination of the Contract. UNFPA shall be entitled to a refund from the Contractor for any amounts shown by such audits to have been paid by UNFPA other than in accordance with the terms and conditions of the Contract.

20.2 UNFPA may conduct investigations relating to any aspect of the Contract or the award thereof, the obligations performed under the Contract, and the operations of the Contractor generally relating to performance of the Contract at any time during the term of the Contract and for a period of three (3) years following the expiration or prior termination of the Contract.

20.3 The Contractor shall provide its full and timely cooperation with any such inspections, post-payment audits or investigations. Such cooperation shall include, but shall not be limited to, the Contractor's obligation to make available its personnel and any relevant documentation for such purposes at reasonable times and on reasonable conditions and to grant to UNFPA access to the Contractor's premises at reasonable times and on reasonable conditions in connection with such access to the Contractor's personnel and relevant documentation. The Contractor shall require its agents, including, but not limited to, the Contractor's attorneys, accountants or other advisers, to reasonably cooperate with any inspections, post-payment audits or investigations carried out by UNFPA or the United Nations hereunder.

21. LIMITATION ON ACTIONS:

21.1 Except with respect to any indemnification obligations in Article 5, above, or as are otherwise set forth in the Contract, any arbitral proceedings in accordance with Article 16.2, above, arising out of the Contract must be commenced within three years after the cause of action has accrued.

21.2 The Parties further acknowledge and agree that, for these purposes, a cause of action shall accrue when the breach actually occurs, or, in the case of latent defects, when the injured Party knew or should have known all of the essential elements of the cause of action, or in the case of a breach of warranty, when tender of delivery is made, except that, if a warranty extends to future performance of the goods or any process or system and the discovery of the breach consequently must await the time when such goods or other process or system is ready to perform in accordance with the requirements of the Contract, the cause of action accrues when such time of future performance actually begins.

22. **ESSENTIAL TERMS:** The Contractor acknowledges and agrees that each of the provisions in Articles 23 to 28 hereof constitutes an essential term of the Contract and that any breach of any of these provisions shall entitle UNFPA to terminate the Contract or any other contract with UNFPA immediately upon notice to the Contractor, without any liability for termination charges or any other liability of any kind.

23. **SOURCE OF INSTRUCTIONS:** The Contractor shall neither seek nor accept instructions from any authority external to UNFPA in connection with the performance of its obligations under the Contract. Should any authority external to UNFPA seek to impose any instructions concerning or restrictions on the Contractor's performance under the Contract, the Contractor shall promptly notify UNFPA and provide all reasonable assistance required by UNFPA. The Contractor shall not take any action in respect of the performance of its obligations under the Contract that may adversely affect the interests of UNFPA, and the Contractor shall perform its obligations under the Contract with the fullest regard to the interests of the United Nations and UNFPA.
24. **OFFICIALS NOT TO BENEFIT:** The Contractor warrants that it has not and shall not offer to any representative, official, employee, or other agent of UNFPA any direct or indirect benefit arising from or related to the performance of the Contract or of any other contract with UNFPA or the award thereof or for any other purpose intended to gain an advantage for the Contractor.
25. **OBSERVANCE OF THE LAW:** The Contractor shall comply with all laws, ordinances, rules, and regulations bearing upon the performance of its obligations under the Contract. In addition, the Contractor shall maintain compliance with all obligations relating to its registration as a qualified vendor of goods or services to UNFPA, as such obligations are set forth in the United Nations and UNFPA vendor registration procedures.
26. **CHILD LABOR:** The Contractor represents and warrants that neither it, its parent entities (if any), nor any of the Contractor's subsidiary or affiliated entities (if any) is engaged in any practice inconsistent with the rights set forth in the Convention on the Rights of the Child, including Article 32 thereof, which, *inter alia*, requires that a child shall be protected from performing any work that is likely to be hazardous or to interfere with the child's education, or to be harmful to the child's health or physical, mental, spiritual, moral, or social development.
27. **MINES:** The Contractor represents and warrants that neither it, its parent entities (if any), nor any of the Contractor's subsidiaries or affiliated entities (if any) is engaged in the sale or manufacture of anti-personnel mines or components utilized in the manufacture of anti-personnel mines.
28. **SEXUAL EXPLOITATION:**
- 28.1 The Contractor shall take all appropriate measures to prevent sexual exploitation or abuse of anyone by its employees or any other persons engaged and controlled by the Contractor to perform any services under the Contract. For these purposes, sexual activity with any person less than eighteen years of age, regardless of any laws relating to consent, shall constitute the sexual exploitation and abuse of such person.
